

# Perfect Love

Written by Christopher Marvin

| Em | D | Bm | A |

Em D Bm A  
You called my name my heart was left undone  
Em D Bm A  
Caught within the hurricane of love

**Em D**  
**My heart was won**  
**Bm**  
**By perfect love**  
**A**  
**Perfect love**  
**Em D**  
**I'm overcome**  
**Bm**  
**By perfect love**  
**A**  
**Your perfect love**

Every failure You have washed away  
Swept beneath the avalanche of grace

G Bm A  
You wake me in the morning light  
G Bm A  
Even in my darkest night  
A  
You shine so bright
