

Your Love Goes On

Written by Chris Marvin

E
All alone, I was broken-hearted
B F#
Without a hope, I was disregarded
E
You called me out, I knew my life restarted
G#m F#
Now I know Your love

Everyday with You a new sensation
I break away from all my old temptations
In every way You are my true salvation
Now I know

*Your love's a burning fire
Ignite my heart's desire
Like the breaking dawn
Your love outshines the sun*

E
Your love goes on
B
Your love goes on
E
Your love goes on
G#m F#
Your love goes on and on
E
Your love goes on

Grace, a flood, and I am overtaken
Carried to a place of adoration

Your word alive I feel my heart awaken
Now I know

***Your love goes on and on
And I am overcome
By your love so strong
You love goes on and on
(filling up my lungs)***
